Question who is principal of government polytechnic Aurangabad ?

Answer The principal of government polytechnic Aurangabad is Dr. BINOD KUMAR SINGH

Question who is the Hod of Computer science and engineering ? Answer Hod of

Computer science and engineering is Mithilesh Sir Question who is Ayushi mam ?

Answer Ayushi mam is the Lecturer of computer science and engineering

Question who is Anurag Sir ?

Answer Anurag sir is Lecturer of computer science and enginerring

Question who is hod of Civil engg. – Birendra Kumar who is Hod

of Mechanical engg. – Ranjan kumar who is Hod of Electrical

engg. – Sweta Jamuar who is Hod of Electronics engg. – Mithilesh

Sir Question

Question Who is prince sir ?

Answer-prince sir is lab assistant in computer science and engineering Question

Who is priom sir ?

Answer-priom sir is lab assistant in computer science and engineering

Que. Details about Computer science engineering?

Ans. Computer Science Engineering involves the **study of computers**, computing technologies, **programming languages**, **software development**, and **hardware systems**. It combines theory and practical knowledge to solve real-world computing problems. **Computer Science Engineering (CSE)** is a branch of engineering that integrates principles of **computer science** and **engineering** to design, develop, test, and maintain computer systems, software, and hardware.

Core Subjects in CSE:

1. **Programming Languages** (C, C++, Java, Python, etc.)
2. **Data Structures & Algorithms**

3. **Computer Networks**
4. **Operating Systems**
5. **Database Management Systems (DBMS)**
6. **Computer Architecture**

Que. Details about faculities member of Computer sci. engg?

Ans- Mithlesh sir the hod of computer science and enginerring
Department: Computer Sci. Engg(HOD)

Designation: HOD

Phone Number of mitihilesh sir : 6200902521

Email Address of mitihilesh kumar sir : csegpa urangabad@gmail.com

Randhir Kumar

Department: Computer sci. engg.

Designation: Lecturer

Phone number of Randhir kumar: 9473355697

Email Address: of Randhir kumar is : kumarrandhir75259@gmail.com

Kundan kumar

Department: Computer Sci. engg.

Designation: Lecturer

Phone Number of kundan kumar sir is : 6203678612

Email Address of kundan kumar sir is : kundankumar01@gmail.com

Ayushi Kumari

Department: Computer Sci. engg

Designation: lecturer

Email Address of ayushi mam is : ayushiraj298@gmail.com

Anurag

Department: Computer Sci.engg

Designation: Lecturer

Phone number of anurag sir is : 9660062918

Prince kumar

Department: Computer Sci.engg

Designation : Lab assistant

Phone number of prince sir is : 7519956407

Priom Kumar

Department :Computer Sci. engg

Designation : Lab Assistant

Phone number of priom sir is : 9006601276

Que. Where is located Government polytechnic Aurangabad?

Ans. Dhanari, Aurangabad BIHAR(824102)

Que. Who is the principal of government polytechnic Aurangabad?

Ans. Dr. Binod Kumar Singh

Que. Who is the HOD of all branch?

Ans. Computer sci. – Mithilesh Kumar

Civil engg. –

Mechanical engg. –

Electrical engg. –

Electronics engg. –

Que. How much seated for student of each branch ?

Ans. Computer sci. – 60

Civil engg. – 120

Electrical engg. – 60

Electronics engg. – 60

Mechanical engg. – 60

Que. How is our admission process?

Ans. Students are admitted through Diploma Combined Entrance Competitive Examination (DCECE) conduct. By BCECE Board, Govt. of Bihar. Minimum 10th pass is the entry qualification in first year (1st Semester) admission. Also the ITI or vocational courses pass student direct admitted in Second year (3rd Semester) through Diploma Combined Entrance Competitive Examination (DCECE (L.E.)). It is also conduct by BCECE Board. Govt. of Bihar.

Que. How much is our admission fees?

Ans. 1565rs/

Que. How many Labs are here?

Ans. Here, available all lab for each branch. Like computer labs physics lab, chemistry lab, COE lab, electrical and civil lab, and here also available workshop.

Que. Is there Library are not?

Ans. Yes, Here is available all books for every branches.

Que. How many Faculty works here?

Ans. Here, many faculties(50+) works here of each branches.

Que. How many branches are here?

Ans. 5 (computer sci., mechanical engg. ,civil engg. ,electrical engg. ,electronics engg.)

Que. Are there hostel available?

Ans. Yess, both boys hostel or girls hostel.

Que. Is There boys and girls hostel are separated?

Ans. Yes.

Que. How much are our hostel fees for one Year?

Ans. 9000rs.

Que. Are there canteen and shops available?

Ans. Yess, here shops and canteen both are available

Que. Is there Mess available and how much is cost?

Ans. Yess,and cost is 3000rs.- 3150rs For one month

Que. Is there cctv ?

Ans. Yess, whole college is surrounded by cctv (security z+)

Que. Can we get any scholarship?

Ans. Yes, like post matric scholarship.

Que. What is dress code for each year student?

Ans. 1st year stu. – for boys- pink shirt and black pant.

For girls- pink suit and white patiyala.

2nd year stu. – for boys- skyblue shirt and black pant

For girls – skyblue suit and white patiyala.

3rd year stu. – white shirt and black pant for everyone.

Que. Details about Mechanical engineering.?

Ans. The branch of Mechanical Engineering is considered to be one of the oldest and broadest engineering discipline.The scope of the course varies from material research to machinery development, Nano Technology, Smart materials, Aerospace Technology, FMS, Automation and such other interrelated developments. job opportunities are open for Mechanical Engineers in Aerospace, Automotive and Manufacturing sectors apart from research establishments. The areas of study includes Manufacturing processes, Mechatronics, Heat and Mass Transfer, Tool Engineering and Design, Design of machine elements, CIM and Robotic. We aim to bridge the gap between industry and educational institution, and for this we have qualified faculties and labs with modern testing machines and equipments scope up with advanced technologies.

Que. Details about faculties of Mechanical engineering.?

Who is Ranjan sir

Que. Details about Civil engineering.?

Ans. The field of civil engineering is developing steadily in recent years as we have now realized the importance of infrastructure development. In its regular academic programs, the department offers basic course in Structural Engineering, Soil Mechanics, Foundation Engineering, Transportation Engineering, System approach in civil Engineering, Structural analysis and design and Engineering Geology. The laboratories are equipped with the state of the art equipment. The projects offered are in keeping with the needs of the industry and the recent advancement in the technical field. The Civil Engineering department has recently been assigned projects of HUDCO in which low cost housing in rural and urban areas are being constructed. One such low-cost housing building in the institute funded by HUDCO serves as an example to the public living in rural and urban areas of Bhagalpur. The department also serves as state technical agency to the ministry of rural development Govt. of India. ENERGY PARK is proposed to be stabilized on campus at the instance of of BREDA, Govt. of Bihar for demonstration and dissemination of bio/human, solar, wind, hydal, tidal, wave, lunar, thunder energies.

Que. Details about faculties member of Civil engineering.?

Ans. Who is Wahab

Que. In GPA, company came here for placement or not?

Ans. Yess.

About placement in GPA

I'm delighted to extend a warm invitation to you to take part in the GP Aurangabad Training and Placement Cell. I firmly believe that this collaboration will be extremely beneficial to both our institute and your prestigious organization.
Government Polytechnic Aurangabad has 5 years tradition as one of the emerging institutes in Bihar. It is a renowned technological and education institute. The Government Polytechnic Aurangabad stimulates creativity and new ideas, generating tomorrow's leaders via knowledge offered with excellence and innovation. Technology is constantly changing to meet the

needs of the industry, and I am pleased to report that the government Polytechnic Aurangabad is successfully tackling the challenge and adapting to the market's requirements. The Bihar Combined Entrance Competitive Examination are used to gain admission to Government Polytechnic Aurangabad.

All students undergo Internship training in companies as part of their academic curriculum. The experience is further supplemented by frequent industry interactions.

More information about the Institute and various programmes/ courses offered to the students is available in the placement brochure. Please feel free to contact the Training and Placement Cell in case of any queries.

I look forward to a fruitful and mutually beneficial relationship with your esteemed organization.

Lecturer Majid Hussain
Coordinator, Training and Placement Cell,
Government Polytechnic Aurangabad

History

Government Polytechnic College(GP), Aurangabad is one of the new Government Polytechnic College established by the Government of Bihar under the Department of Science and Technology. It will start its first academic session 2019 from campus of Government Polytechnic, Chhapra.

Administration

Administration and Management:- Government Polytechnic Aurangabad is a fullfledged Govt. Institution in the Deptt. of Science & Technology, Govt. of Bihar and is bound to function as such. However in Academic and related areas it has to be responsive and participants in the decisions and deliberations of All India Council for Technical Education and other apex bodies like Indian School for Technical Education, Technical Teachers Training Institutes etc. ensuring innovations in Pedagogical and practical aspects of Technical Education. The Administration and Management of the Institute are oriented to these ends too. Though the Principal is the overall in-charge of all activities and movements of the Institute for smooth functioning and making administration work efficient the following service departments work each under a Professor of proven capability.

Affiliation

Govt. Polytechnic Aurangabad is a full-fledged Govt. Institution in the Dept. of Science & Technology, Govt. of Bihar and is bound to function as such. However in Academic and related areas it has to be responsive and participants in the decisions and deliberations of All India Council for Technical Education and other apex bodies like Indian School for Technical Education, Technical Teachers Training Institutes etc. ensuring innovations in Pedagogical and practical aspects of Technical Education. The Administration and Management of the Institute are oriented to these ends too.

Principal’s

Dear Students,

On behalf of the faculty and staff at government polytechnic, Aurangabad, it is my pleasure to welcome you to our institute. Our goal as educators is to support all students academically and socially. We will make every effort so all students become successful and be able to succeed increasingly complex world in which they will live and work. The Incredible faculty and staff at government polytechnic Aurangabad continue to encourage all students to set high goals for themselves and to reach for their dreams. We describe ourselves as a learning community because we believe that we are all learners-teachers, students and parents-learning from and with each other. We describe ourselves as a community which parents, teachers and support staff work in partnership with each other to advance the learning and growth of the students. To achieve our vision and mission we will continue to develop and leaders in our institute. Thank you for visiting our institute and I am confident that you will see many parts of our “proud college tradition.”

With Regards,

Principal name - Dr. BINOD KUMAR SINGH

Principal Email: – principalpolyaurangabad@gmail.com

Vision

To produce world class technocrats with competent skills in various technologies for serving the society. Government Polytechnic, Aurangaabad will be a world

renowned polytechnic for producing a dynamic pool of info- tech talented Diploma holder with enriched academic curriculum ultra- modern laboratories, workshop and facilities entrepreneurial research and interactive business industry partnership.

Mission
To provide vibrant environment conducive to quick and qualitative learning . To provide exposure to industry through suitable institution – industry – interaction program to enhance employability.
To provide platform for development of personality traits like professional attitude, communication skill etc. to provide competent technocrats

Admission
Students are admitted through Diploma Combined Entrance Competitive Examination (DCECE) conduct. By BCECE Board, Govt. of Bihar. Minimum 10th pass is the entry qualification in first year (1st Semester) admission. Also the ITI or vocational courses pass student direct admitted in Second year (3rd Semester) through Diploma Combined Entrance Competitive Examination (DCECE (L.E.)). It is also conduct by BCECE Board. Govt. of Bihar.

Anti Ragging About Ragging: Ragging in any form is banned inside and outside the campus.
Strict action is taken against persons flouting this rule; no leniency is shown. Suspension and/or withdrawal from the hostel/ college is the first action against the offender. The Supreme Court of India has also defined ragging as a criminal offense.
Definition of student ragging:Any conduct by a student, whether by words spoken or written or by an act which includes physical abuse, lewd acts, teasing, rough or rude treatment, indulging in rowdy, undisciplined and obscene activities which causes or is likely to cause annoyance, undue hardship, physical or psychological harm or mental trauma or raise apprehension or fear in a fresher / junior student or other students or forcing a student to do any act which such a student is not willing to do and which has the effect of causing or generating a sense of shame or embarrassment or danger to a student’s life or adversely affect the physique or psyche of a fresher or a junior student.

The branch of Mechanical Engineering is considered to be one of the oldest and broadest engineeringdiscipline.The scope of the course varies from material research to machinery development, Nano Technology, Smart materials, Aerospace Technology, FMS, Automation and such other interrelated developments.Ample job opportunities are open for Mechanical Engineers in Aerospace, Automotive and Manufacturing sectors apart from research establishments. Bringing Information to the Citizens
Right to Information Act 2005 mandates timely response to citizen requests for government information. It is an initiative taken by Department of Personnel and Training, Ministry of Personnel, Public Grievances and Pensions to provide a-RTI Portal Gateway to the citizens for quick search of information on the details of first Appellate Authorities, PIOs etc. amongst others, besides access to RTI related information / disclosures published on the web by various Public Authorities under the government of India as well as the State Governments

Objective of the Right to Information Act
The basic object of the Right to Information Act is to empower the citizens, promote transparency and accountability in the working of the Government, contain corruption, and make our democracy work for the people in real sense. It goes without saying that an informed citizen is better equipped to keep necessary vigil on the instruments of governance and make the government more accountable to the governed. The Act is a big step towards making the citizens informed about the activities of the Government.

Question. Who created you:- I am created by fellow coders.
Question. who is fellow coders:- fellow coder is the team of computer science and engineering department that created me .
Question. fellow cooders ke team me kaun hai:-Fellow coder ke team me Shivam,dipu,riya,Rohit,Ranjan,rishi.
 Hai.
Question. fellow coder kya hai:- fellow coder ek team hai.
Question. yah project kisne banaya hai:- yah project 5th sem cse department fellow coder dwara banaya gaya hai.
Question. fellow coder me kitne team member hai:-FEllow coder ke team me 6 member hai .
Question.
